How did CFP compare with your expectations?

What career challenges led you to look for a solution like Clarity First?

I have many ideas in my head, but my inability to clearly and succinctly communicate them was impacting my confidence and ability to influence.

What changes have you seen in your communication?

More succinct, greater clarity, better structured.

How did you make the decision to do this program, why Clarity First?

Googled around - was what came up as a program focused on clarity and structure in communication - strongly aligned with skills I was seeking to improve.

What was the most valuable thing about the program?

Framework for structuring communication, and the opportunity to workshop actual communication pieces.
