How did CFP compare with your expectations?

What career challenges led you to look for a solution like Clarity First?

Emails didn't clearly articulate what the readers wanted to know. It led the readers to believe that analysis wasn't done properly, but the real issue was the communication didn't cater for what the reader was looking for or interested in.

How did you make the decision to do this program, why Clarity First?

To gain understanding of practical frameworks/models to use on a daily basis for communication perspective.

What changes have you seen in your communication?

Deeper understanding of issues and clear/concise communication to senior leadership.

What was the most valuable thing about the program?

Time to test communication with Davina and then see the magic unfold as targeted questions with answers improves the message.
