How did CFP compare with your expectations?

What career challenges led you to look for a solution like Clarity First?

What changes have you seen in your communication since completing CFP?

Starting my own consulting business which meant being more confident and clear and demonstrate value.

I now have a tried and tested framework at hand, a structured approach to my comms.

How did you make the decision to do this program, why Clarity First?

What was the most valuable thing about the program?

I have been exposed to clarity first at a previous employer and knew of Davina.

The tools, patterns, learning from each other and most of all Davina's style, experience and quick thinking.
